

Metro: Last Departure - Assets Document

Note: All assets below must be built using CSS, SVG, icons, or emoji only. No stock photography, photographic textures, or AI-generated character illustrations are permitted, per instruction.md Section 7 (Not Allowed). Reference images provided separately are for mood/tone/color reference only and are not deliverable assets.

1. Environment / Section Backgrounds

- Hero Background Pattern (CSS/SVG tunnel-line pattern, animated)
- Ambient Gradient Glows (CSS gradients, signal green + hazard red, used in Hero)
- Metro Map Background Panel (flat dark panel, no imagery)
- Section Divider / Border Treatments (CSS borders, line-gray)

2. UI Assets

- Glitch Effect Overlay (CSS clip-path/RGB-split animation for Hero title)
- Status Bar Indicator (pulsing dot, CSS animation)
- Terminal/Log Interface Block (Story Teaser section styling)
- Tooltip Component (Metro Map station tooltips - hover/focus triggered)
- Scroll Cue Indicator (animated arrow/bar, Hero section)
- CTA Button - "Board The Train" (pulsing, Hero section)
- CTA Button - "Play Now" (pulsing, CTA Footer section)

3. Interactive Metro Map Assets

- Route/Path SVG (single connected line, 4 stations in sequence)
- Station Node - Central Station (neutral/green glow state)
- Station Node - Research Lab (danger/red glow state)
- Station Node - Underground Tunnels (danger/red glow state)
- Station Node - Final Departure Terminal (neutral/green glow state)
- Active Flow Animation (dashed line animation along full route)
- Station Tooltip Content (lore/status text per station)

4. Survivor Roster Card Assets (Icon-Based, Not Illustrated Art)

- Engineer Class Card (icon + front/back flip card layout)
- Medic Class Card (icon + front/back flip card layout)
- Security Guard Class Card (icon + front/back flip card layout)
- Hacker Class Card (icon + front/back flip card layout)
 - > Each card: class name, class number, points-to-unlock (front); ability description (back, Y-axis flip on hover/focus)

5. Survival Mechanics Icons

- Health System Icon (heart icon)
- Infection Detection Icon (test-tube/scan icon)
- Resource Collection Icon (key/item icon)

- Metro Exploration Icon (train/tunnel icon)

6. Gameplay Features Card Icons

- Explore The Metro Network - icon
- Survive The Outbreak - icon
- Solve Environmental Puzzles - icon
- Uncover The Conspiracy - icon

7. Endings Preview Tile Assets

- Escape Ending Tile (blurred title, sharpens on hover)
- Sacrifice Ending Tile (blurred title, sharpens on hover)
- Conspiracy Ending Tile (blurred title, sharpens on hover)
- Bad Ending Tile (blurred title, sharpens on hover)

8. Visual Effects / Glow States

- Signal Green Glow Effect (hover/focus states - neutral elements)
- Hazard Red Glow Effect (hover/focus states - danger elements)
- Amber Accent Highlights (where used per palette)
- Warning Indicator Style (Story Teaser warning lines)

9. Typography Assets

- Display Font: Arial Narrow (or equivalent condensed sans, weight 900)
- Body/UI Font: Courier New / monospace

10. Color Palette (Reference)

- Background (Near-black): #0A0C0D
- Panel Background (Dark gray): #111416
- Borders/Dividers (Line gray): #1D2226
- Text Primary (Off-white): #D8E0DE
- Text Dim/Secondary (Muted gray-green): #6F7A78
- Accent Signal (Signal green): #39FF8F
- Accent Hazard (Hazard red): #FF3B3B
- Accent Amber: #FFB238
